CUSTOM RAL

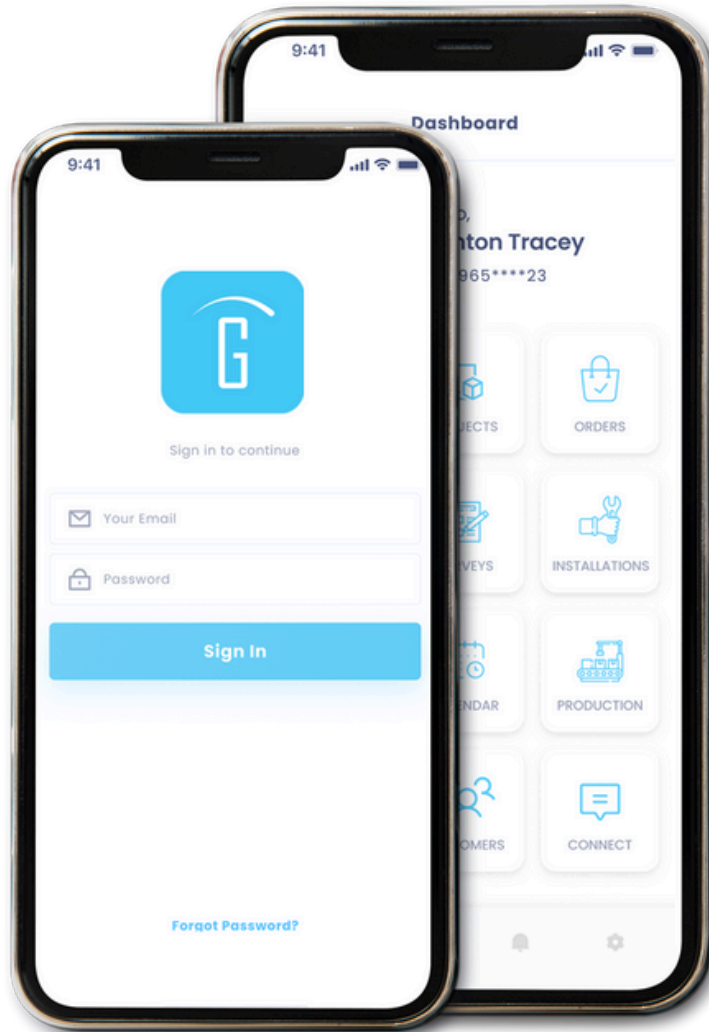

Thermally broken minimalist sliding system that provides maximum luminosity with a minimal aluminium interlock profile. It has an elegant design only 15 mm sightline and offers the possibility of an inlaid closing system and of hiding the frame and sash for truly unobstructed views.

The GS15 features a secure multipoint locking system that is operated with a simple up and down handle. The handle comes in a variety of colours to choose from as well as any RAL if you prefer to match the frame colour.

GLIDELINE GO

KEEP UP TO DATE WITH YOUR
GLAZING PROJECTS WITH
GLIDELINE GO

Introducing GlidelineGO – the ultimate system designed to streamline your glazing order management process. With GlidelineGO, customers and trade partners can effortlessly create, track, and manage orders, while enjoying the convenience of approving drawings and making payments directly within the app.

Efficiency and ease-of-use are at the heart of GlidelineGO. Whether you're an architect, contractor, or glazing professional, this powerful app empowers you to take control of your glazing projects, ensuring a seamless experience from start to finish.
